

SIM Injector

More SIMs, More Range

Supports up to 8x SIM Cards

Use the SIM Injector to add another 8 SIM cards to your deployment, giving you the ability to connect to multiple carriers and ensuring a stable connection.

TAA
COMPLIANT

Extend up to 100m

In addition to adding SIM capacity, the SIM Injector also adds 100 meters of flexibility between the router and the SIM cards, enabling you to place the cellular router anywhere you want without worrying about changing SIM cards.
